Introduction: Abraham built altars all over his land. Altars were built as a place of worship. Just like in Abraham's day Altars today represent meetings with God and are significant to our relationship with Him. There are four altars that Abraham built that we can relate to today.

1. Altar of Promise

Genesis 12:1-7, Jeremiah 29:11-13, Psalm 46:10, Isaiah 43:2

Mount Ebal – Barren
Mount Gerazim – Fruitful

2. Altar of Return

Genesis 13:1-4, Genesis 35:1-4, I Peter 2:25, Luke 15:20

3. Altar of Possession

Genesis 13:17-18, Judges 6:24-29

4. Altar of Commitment

Genesis 22:1-14, Matthew 26:39

Conclusion: All of these altars have one thing in common...Abraham had personal encounters with God at each place.
